

liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Secretary's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

This notice serves as the only reminder to parties subject to an administrative protective order (APO) of their responsibility concerning the disposition of proprietary information disclosed under APO in accordance with 19 CFR 351.305(a)(3), which continues to govern business proprietary information in this segment of the proceeding. Timely written notification of return/destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and the terms of an APO is a sanctionable violation.

Notification to Interested Parties

We are issuing and publishing these results in accordance with sections 751(a)(1) and 777(i)(1) of the Act.

Background

On April 12, 2022, based on a timely request for review, in accordance with 19 CFR 351.221(c)(1)(i), Commerce initiated an administrative review of the antidumping duty order on shrimp from India.¹ This review covers 187 producers and/or exporters of the subject merchandise. Commerce selected two mandatory respondents for individual examination: Megaa Moda Pvt. Ltd. (Megaa Moda) and NK Marine Exports LLP (NK Marine). For a complete description of the events that followed the initiation of this review, see the Preliminary Decision Memorandum.²

product description remains dispositive.³

Methodology

Commerce is conducting this review in accordance with sections 751(a)(1)(B) and (2) of the Tariff Act of 1930, as amended (the Act). Export price is calculated in accordance with section 772 of the Act. NV is calculated in accordance with section 773 of the Act.

For a full description of the methodology underlying our conclusions, see the Preliminary Decision Memorandum. A list of the topics discussed in the Preliminary Decision Memorandum is attached as Appendix I to this notice. The Preliminary Decision Memorandum is a public document and is on file electronically via Enforcement and Compliance's Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS). ACCESS is available to registered users at <https://access.trade.gov>. In addition, a complete version of the Preliminary Decision Memorandum can be accessed directly at <https://access.trade.gov/public/FRNoticesListLayout.aspx>.

Preliminary Results of Review

As a result of this review, we preliminarily determine that the following weighted-average dumping margins exist for the respondents for the period February 1, 2021, through January 31, 2022:

Exporter/producer	Weighted-average dumping margin (percent)
Megaa Moda Pvt. Ltd	7.92
NK Marine Exports LLP	1.43
Companies Not Selected for Individual Review ⁴	3.76

Review-Specific Average Rate for Companies Not Selected for Individual Review

The statute and Commerce's regulations do not address the establishment of a rate to be applied to companies not selected for individual examination when Commerce limits its examination in an administrative review pursuant to section 777A(c)(2) of the Act. Generally, Commerce looks to section 735(c)(5) of the Act, which provides instructions for calculating the all-others rate in a market economy investigation, for guidance when

³ For a complete description of the scope of the order, see the Preliminary Decision Memorandum.

⁴ The exporters or producers not selected for individual review are listed in Appendix II.

calculating the rate for companies which were not selected for individual examination in an administrative review. Under section 735(c)(5)(A) of the Act, the all-others rate is normally “an amount equal to the weighted average of the estimated weighted-average dumping margins established for exporters and producers individually examined, excluding any margins that are zero or *de minimis* margins, and any margins determined entirely {on the basis of facts available}.” For these preliminary results, we have preliminarily calculated a weighted-average dumping margin for these companies using the calculated rates of the mandatory respondents, Megaa Moda and NK Marine, which are not zero or *de minimis*, or determined entirely on the basis of facts available.

Disclosure and Public Comment

Commerce intends to disclose the calculations performed in connection with these preliminary results to interested parties within five days after the date of publication of this notice.⁵ Interested parties may submit case briefs to Commerce no later than 30 days after the date of publication of this notice.⁶ Rebuttal briefs, limited to issues raised in the case briefs, may be filed no later than seven days after the time limit for filing case briefs.⁷ Parties who submit case briefs or rebuttal briefs in this proceeding are encouraged to submit with each argument: (1) a statement of the issue; (2) a brief summary of the argument; and (3) a table of authorities.⁸ Case and rebuttal briefs should be filed using ACCESS.⁹ An electronically-filed document must be received successfully in its entirety by ACCESS by 5:00 p.m. Eastern Time on the established deadline. Note that Commerce has temporarily modified certain of its requirements for serving documents containing business proprietary information, until further notice.¹⁰

Pursuant to 19 CFR 351.310(c), interested parties who wish to request a hearing must submit a written request to the Assistant Secretary for Enforcement and Compliance, U.S. Department of Commerce, filed electronically via ACCESS within 30 days after the date of publication of this notice.¹¹ Hearing requests should contain: (1) the party's

name, address, and telephone number; (2) the number of participants; and (3) a list of issues to be discussed. Oral presentations at the hearing will be limited to issues raised in the briefs. If a request for a hearing is made, parties will be notified of the time and date for the hearing.¹²

Commerce intends to issue the final results of this administrative review, including the results of its analysis of issues raised in any written briefs, not later than 120 days after the date of publication of this notice in the **Federal Register**, unless otherwise extended.¹³

Assessment Rates

Upon completion of the administrative review, Commerce shall determine, and U.S. Customs and Border Protection (CBP) shall assess, antidumping duties on all appropriate entries covered by this review.¹⁴ Pursuant to 19 CFR 351.212(b)(1), because both respondents reported the entered value for all of their U.S. sales, we calculated importer-specific *ad valorem* duty assessment rates based on the ratio of the total amount of antidumping duties calculated for the examined sales to the total entered value of the sales for which entered value was reported. Where either the respondent's weighted-average dumping margin is zero or *de minimis* within the meaning of 19 CFR 351.106(c), or an importer-specific rate is zero or *de minimis*, we will instruct CBP to liquidate the appropriate entries without regard to antidumping duties.

Commerce's “automatic assessment” will apply to entries of subject merchandise during the POR produced by Megaa Moda or NK Marine for which these companies did not know that the merchandise they sold to the intermediary (e.g., a reseller, trading company, or exporter) was destined for the United States. In such instances, we will instruct CBP to liquidate unreviewed entries at the all-others rate if there is no rate for the intermediate company(ies) involved in the transaction.¹⁵

For the companies which were not selected for individual review, we will assign an assessment rate based on the review-specific average rate, calculated as noted in the “Preliminary Results of Review” section, above. This rate is an average of the cash deposit rates calculated for Megaa Moda and NK

Marine. The final results of this review shall be the basis for the assessment of antidumping duties on entries of merchandise covered by the final results of this review and for future deposits of estimated duties, where applicable.¹⁶

Commerce intends to issue assessment instructions to CBP no earlier than 35 days after the date of publication of the final results of this review in the **Federal Register**. If a timely summons is filed at the U.S. Court of International Trade, the assessment instructions will direct CBP not to liquidate relevant entries until the time for parties to file a request for a statutory injunction has expired (i.e., within 90 days of publication).

Cash Deposit Requirements

The following deposit requirements will be effective for all shipments of the subject merchandise entered, or withdrawn from warehouse, for consumption on or after the publication date of the final results of this administrative review, as provided by section 751(a)(2)(C) of the Act: (1) the cash deposit rate for each specific company listed above will be that established in the final results of this review, except if the rate is less than 0.50 percent and, therefore, *de minimis* within the meaning of 19 CFR 351.106(c)(1), in which case the cash deposit rate will be zero; (2) for previously reviewed or investigated companies not covered by this review, the cash deposit will continue to be the company-specific rate published for the most recently completed segment of this proceeding in which the company participated; (3) if the exporter is not a firm covered in this review, or the less-than-fair-value (LTFV) investigation, but the manufacturer is, the cash deposit rate will be the rate established for the most recent segment for the manufacturer of the merchandise; and (4) the cash deposit rate for all other manufacturers or exporters will continue to be 10.17 percent, the all-others rate established in the LTFV investigation.¹⁷ These deposit requirements, when imposed, shall remain in effect until further notice.

Notification to Importers

Certain Cut-to-Length Carbon-Quality Steel Plate From the Republic of Korea: Preliminary Results and Preliminary Intent To Rescind, in Part, the Countervailing Duty Administrative Review; 2021

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: The U.S. Department of Commerce (Commerce) preliminarily determines that certain exporters/producers of certain cut-to-length plate (CTL plate) from the Republic of Korea (Korea) received countervailable subsidies during the period of review (POR), January 1, 2021, through December 31, 2021. We invite interested parties to comment on these preliminary results.

DATES: Applicable March 3, 2023.

FOR FURTHER INFORMATION CONTACT: David Lindgren, AD/CVD Operations, Office III, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230; telephone: (202) 482-1671.

SUPPLEMENTARY INFORMATION:

Background

On February 10, 2000, Commerce published in the **Federal Register** the countervailing duty (CVD) order on CTL plate from Korea.¹ On April 12, 2022,

¹ See *Notice of Amended Final Determinations: Certain Cut-to-Length Carbon-Quality Steel Plate from India and the Republic of Korea; and Notice of Countervailing Duty Orders: Certain Cut-To-Length Carbon-Quality Steel Plate from France, India, Indonesia, Italy, and the Republic of Korea*, 65 FR 6587 (February 10, 2000) (*Order*).

Commerce published in the **Federal Register** its initiation of the CVD administrative review of the *Order* for the period January 1, 2021, to December 31, 2021.² On May 2, 2022, Commerce selected Hyundai Steel Company (Hyundai Steel) as the sole mandatory respondent in this administrative review.³

On October 5, 2022, Commerce extended the deadline for issuance of the preliminary results of this review by 120 days, until February 28, 2023, in accordance with 19 CFR 351.213(h)(2).⁴

A list of topics discussed in the Preliminary Decision Memorandum is included in the appendix to this notice. For a complete description of the events that followed the initiation of this review, see the Preliminary Decision Memorandum.⁵ The Preliminary Decision Memorandum is a public document and is on file electronically via Enforcement and Compliance's Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS). ACCESS is available to registered users at <https://access.trade.gov>. In addition, a complete version of the Preliminary Decision Memorandum can be accessed directly at <https://access.trade.gov/public/FRNoticesListLayout.aspx>.

Scope of the Order

The product covered by this *Order* is certain cut-to-length carbon-quality steel plate. For a complete description of the scope of the *Order*, see the Preliminary Decision Memorandum.

Preliminary Intent To Rescind Administrative Review, in Part

Based on our analysis of U.S. Customs and Border Protection (CBP) data and comments received from interested parties, we preliminarily determine that two companies, BDP International and Sung Jin Steel Co., Ltd, had no reviewable shipments, sales or entries of subject merchandise during the POR.

Absent any evidence of shipments placed on the record, pursuant to 19 CFR 351.213(d)(3), we intend to rescind the administrative review of these companies in the final results of review.

² See *Initiation of Antidumping and Countervailing Duty Administrative Reviews*, 87 FR 21619 (April 12, 2022) (*Initiation Notice*).

³ See Memorandum, "Respondent Selection," dated May 2, 2022.

⁴ See Memorandum, "Extension of Deadline for Preliminary Results," dated October 5, 2022.

⁵ See Memorandum, "Decision Memorandum for the Preliminary Results of the Countervailing Duty Administrative Review, 2021: Certain Cut-To-Length Carbon-Quality Steel Plate from the Republic of Korea," dated concurrently with, and hereby adopted by, this notice (Preliminary Decision Memorandum).

For further information, see "Preliminary Intent to Rescind Administrative Review, in Part" in the Preliminary Decision Memorandum.

Methodology

Commerce is conducting this CVD administrative review in accordance with section 751(a)(1)(A) of the Tariff Act of 1930, as amended (the Act). For each of the subsidy programs found countervailable, we preliminarily determine that there is a subsidy, *i.e.*, a financial contribution by an "authority" that confers a benefit to the recipient, and that the subsidy is specific.⁶ For a full description of the methodology underlying our conclusions, see the Preliminary Decision Memorandum.

Rate for Non-Selected Companies Under Review

There are four companies for which a review was requested.⁷ Of those, as discussed above, we intend to rescind the review for two companies that had no reviewable entries during the POR. In addition, Commerce selected one mandatory respondent, Hyundai Steel, for individual examination. Because the rate calculated for mandatory respondent Hyundai Steel is above *de minimis* and not based entirely on facts available, we have applied the subsidy rate calculated for the mandatory respondent to Dongkuk Steel Mill Co., Ltd., the remaining company subject to this review. This methodology is consistent with our practice for establishing an all-others subsidy rate pursuant to section 705(c)(5)(A) of the Act. For further information on the non-selected respondent rate, refer to the section in the Preliminary Decision Memorandum entitled "Non-Selected Companies Under Review."

Preliminary Results of Review

As a result of this review, we preliminarily determine the following net countervailable subsidy rates for the period January 1, 2021, through December 31, 2021:

Company	Net countervailable subsidy rate (percent)
Hyundai Steel Company	1.10
Dongkuk Steel Mill Co., Ltd	1.10
